Learning to ride with Bikeability - Monday 26th April

Bikeability came to Norwood School to deliver training for pupils who were unable to ride independently.

This is what we said:

It was hard but good as I learnt how to put my pedal in the right place before pushing off.

The Bikeability teachers were really good.

I really enjoyed learning how to weave between the cones and they kept making it harder and harder.

I loved it, I was nervous to start with but wasn't by the end

I wish I could do it again.

I can't believe I can now ride my bike after only 1 hour.

Pyjamarama - Thursday 13th May
