## SEND NEWSLETTER

Summer 2 - 2021

SENCo — Mrs J Cockerill

It's been a difficult year for the children and I hope that some 'normality' over the past term has settled them back into a routine and reduced some of the difficult behaviours many of you saw during lockdowns.

It's that tricky time of year again when change is inevitable and I know that many of our Special Needs children struggle with change.

To make September as smooth a transition as possible, the profile documents that many of you helped to create have been shared with the new teaching teams and they are busy preparing spaces and resources to support your children in September.

To reduce anxiety, please use the virtual tour on our school website to remind your child of the space that they will be learning and the people that they will be learning with.

Routine for many of the Special Needs children is key so building towards the start of term, you may wish to start mentioning some of the key things around school or walking by to remind them of the building and playgrounds.

Some will find next year tricky as we return with less restrictions in place. This will mean that the drop off/ collection, lunch hall and playtimes will be busier and noisier.

We will support children, as always, as they come to terms with these changes.

We hope you all have an enjoyable Summer and find some time to have family time together. Thank you for all of your support, and I look forward to seeing everyone in September.
