

FAQs for Parents – Covid Grant – Summer Vouchers

What kind of support is available?

For the Summer holidays, our support is focused on providing supermarket vouchers for families eligible to income based support. The criteria for access is available with the letter that accompanies this document.

Further information on the Covid Grant Scheme can be found here –

www.peterborough.gov.uk/wintersupport

Do I need to fill this online form out if I want a food voucher?

If your child is eligible for Free School Meals, Early Years Pupil Premium, Funded 2-year-old support or is 16-19 and eligible for free school meals, you will automatically receive a voucher.

What if I don't want my voucher?

If you do not want/need your voucher, please do not activate it. Either delete or ignore the email/text you receive, or do not open the link and download the voucher. This way, we can reallocate your voucher to another family in need. Alternatively please email winter.support@cambridgeshire.gov.uk and the voucher will be removed.

How do I use my voucher?

You will receive a text or email to choose your supermarket choice for the voucher

- Text message from 'SchoolMeals'
- Email from 'vouchers@wonde.com'

Once you have chosen your supermarket, you will receive your voucher by text or email.

You can then click the link in the text or email and download your voucher code.

You can then use this voucher in your chosen supermarket.

You must choose your supermarket before you can receive your voucher.

You can also access your voucher via the **new EVouchers app**.

If you've been sent an Evoucher by text message or email, this app will enable you to easily access your existing and new vouchers through your registered account. If you're new to Evouchers.com, you're also able to register for an account through the app. Any vouchers previously assigned to your email address or mobile number will appear in your account.

I have made my supermarket choice, but I'm yet to receive my voucher. There may be a number of reasons for this such as:

- If you selected your supermarket choice after 12pm that day, your voucher will arrive the following day.
- You made your supermarket choice after 12pm on a Friday. You'll receive your voucher on Monday.

How long does it take for the voucher to be received?

Most vouchers are received within 30 minutes after the retailer is selected. If you select Morrisons or Asda then the following timings apply:

- If selected before 1 pm, the voucher will be received that evening.
- If selected after 1 pm, the voucher will be received the following working day.

If I don't spend the whole voucher in one visit, can I keep it to use on my next shop?

Yes, you can. If your shopping comes to more than the voucher total, you will need to pay the remaining balance using another method (i.e. debit card)

When will I get my voucher?

The vouchers will be sent on the 23rd July and 13th August but may take a short time to arrive.

If you have not received your voucher by the 26th July (voucher 1) or the 19th August (voucher 2) please contact winter.support@cambridgeshire.gov.uk. Please include in any correspondence the name of your child, their date of birth and which education establishment they attend.

How long have I got to spend my voucher?

You have until the 24th September to select the supermarket and claim the voucher. If you don't claim by this point the voucher will be removed and re-allocated. Once claimed, each supermarket has different expiry dates but all last over a year.

I'm yet to receive a text or email to choose my supermarket choice.

If you haven't received contact by the 26th July but feel you should have received a voucher, please contact winter.support@cambridgeshire.gov.uk. Please include the name of your child / children and which education setting they attend e.g. school, pre school etc. We will confirm whether you have received a voucher and how to access it.
