

WE ARE DELIGHTED TO WELCOME YOU TO OUR  
SCHOOL.

## OUR ANNUAL OPEN EVENING

THURSDAY 23 SEPTEMBER 5.30PM – 8.00PM

for prospective students currently in primary school.

Keynote presentations from the Headteacher, Mr. Lord, at 5.30pm  
and 6.30pm.

With Covid-19 restrictions reducing, we are delighted to announce that this year's Open Evening at the Deepings School will be a face-to-face event.

This is a great time to join our thriving school community. Just this summer, Ofsted noted that "Leaders are determined to improve the school and have not allowed the Covid-19 pandemic to detract from their main purpose of providing a good quality of education and promoting pupils' safety and well-being."

In examinations prior to Covid-19, students recorded the best ever progress at the Deepings School and results over the past two years also confirm that the quality of education at the school is good.

Great schools are about more than examination results alone, of course, and we are proud of our extensive programme of extracurricular activities and educational visits.

Our aim is to prepare our students for real life and to mould our young people into well-rounded individuals who will make a positive contribution to society.

# THIS IS A GREAT TIME TO JOIN OUR THRIVING SCHOOL COMMUNITY!

We are a community school that is committed to providing learning opportunities that enable our children to flourish.

Significant investment over recent years has enhanced our facilities and allowed us to deliver one of the most diverse and wide-ranging subject choices in the area.

We value our relationships with parents and carers. The feedback that they provide is important and has been increasingly positive in recent years; it has been instrumental in helping us to enhance our school provision.

Booking is not required for the Open Evening.

It would be wonderful to have the opportunity to meet you and your child and to answer any questions that you might have about our school. In addition to our traditional Open Evening, we will be holding a number of Discovery Mornings where you can tour the school during the day.
