Aim High

Never Give Up

Follow Your Dream

Lead By Example

Tuesday 8th July 2014

Dear Parents/Carers,

I am delighted to inform you that Year 2 has achieved 80 class credits.

As a result, the children have chosen to celebrate their achievement by bringing in **one** 'gadget' of their choice. This could include an Ipad, DS or any other handheld games console or a remote controlled toy of their choice. If your child chooses to bring a handheld games console, they must only bring in **one** of their preferred games to play on it.

This will take place on the morning of **Tuesday 15th July 2014** when children will bring in the gadget and bring it home on this day.

Children are advised to only bring **one, labelled with their name** and practical sized item.

This is important to ensure children can enjoy their treat without worry of mixing up gadgets and games.

For security reasons, gadgets will remain locked in a safe location during unsupervised times.

If for whatever reason, you do not want your child to bring in a gadget of this type, they can bring in a board game, teddy bear or any other small toy to play with their friends, where same safety procedures of labelling will apply.

Kind regards,

Miss Mulligan
Class Teacher
