

After School Clubs!

Spring Term

3:15-4:15pm

Tuesday - Year 2
Wednesday - Year 1
Thursday - Reception

Little Squiggles after school clubs are about creativity, exploring new materials and new techniques in art and craft-based activities.

Every session of the Little Squiggles after school club is designed to include a wide range of techniques, materials, tools and, above all, creative ideas. Each session is inspired by a story, and led by an experienced Teacher, and art and craft enthusiast. The club will allow children to explore their creative side and most importantly bring home their creations to show off at home!
