

Christmas Shoebox appeal for the local homeless @santaslittlehelper2016

3 January 2022

To whom it may concern

Please accept my sincere thanks and appreciation for your support with the **2021 Christmas Shoebox Appeal for the local homeless in Peterborough.**

Thanks to the generosity of people in and around Peterborough, we managed to accumulate a fantastic **247** shoeboxes, meaning that the Peterborough Foyer Hostel, Peterborough Homeless Helpers, Fair View Court hostel and The New Haven hostel were given shoeboxes for everyone. All surplus donations were given to the Trussell Trust Food Bank.

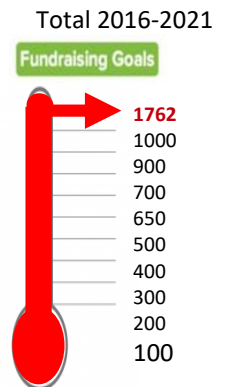

Unfortunately we were asked not to take any photographs but the appeal page on Facebook does have some thank you letters and evidence of all the kind donations been well received.

Please send my thanks to each and every one who took time out of their busy work and life schedules to assemble such lovely and thoughtful Christmas shoeboxes for complete strangers. The support has been quiet overwhelming.

Since the start of this appeal in **2016** we have managed to provide over **1762** Christmas shoeboxes to the homeless and less fortunate.

I hope you all had a fabulous **Christmas and New Year** and I hope you will continue supporting this appeal.

Please follow our appeal page on Facebook "**Christmas Shoebox appeal for the local homeless**" for information on the 2022 Christmas Shoebox Appeal which will be re-activated later next year.

Sincerely

Regards
Diane Malyon
