Friday 6th May 2022

May is Mental Health Awareness Month

Dear Parents/Carers

As it is mental health awareness week from Monday 16th to Friday 20th May 2022, we are inviting all pupils and staff to join in and raise awareness of this issue by wearing something green with their school uniform.

Mental Health Awareness week is an annual event when there is an opportunity for the whole of the UK to focus on achieving good mental health. This year the focus is Loneliness. We will be discussing what loneliness means to our children and ways we can support each other through these times. This will take place on the first day of Mental Health Awareness Week, **Monday 16th May** to help raise awareness.

There is no cost to parents/carers for this.

Any questions please do ask.

Kind regards

Mrs Richardson
