Aim High

Never Give Up

Follow Your Dream

Lead By Example

Friday 27th May 2022

Dear Parents/Carers,

Due to its popularity in previous years, we are once again going to be holding our very own Race for Life on **Friday 8th July 2022**. Throughout the course of the day, all pupils will take part in the event in order to raise money for Cancer Research UK. Pupils have each been given a blank sponsorship form to bring home today and collect sponsors. Every contribution, no matter how big or small, is one step closer to beating Cancer and as a school we would like to do our bit to support such a wonderful cause. If the individual sponsoring the pupil is a UK tax payer, please encourage them to tick the gift aid box on the form. This will increase their donation by 25% at no extra cost to the individual. Sponsor money will then be due in by no later than **Monday 18th July 2022**, therefore giving us time to calculate the total amount raised before the end of the school year. All money will then be sent on together.

EYFS / KS1 and KS2 will complete the run separately with KS1 and EYFS going out onto the field during the morning at 9:30am and KS2 following suit in the afternoon, starting at 1:45pm. Like last year, there will be no set amount for the pupils to complete as the emphasis is on taking part, trying their best and raising money for such a wonderful cause. Pupils may choose to run, skip, walk or even dance their way around the course. Therefore, no-one will be pressurised to do more than they so wish.

Pupils should come to school in their Sports kit - including something pink! This could be as small as pink laces or it could be a pink t-shirt. If you were feeling really brave why not wear a pink tutu or a pink wig! Pupils must bring a water bottle with them, which can be accessed during the event. Sun cream must also be applied in the morning if appropriate.

Each pupil will also be given a name card to wear on their backs which they can use to write their own message. This could be for a loved one who has suffered from a form of Cancer or it could be a generic message for all of those who have or are suffering from Cancer. All pupils who take part in the event will receive a medal for participation.

We thank you in advance for your support and we really look forward to a wonderful day and doing our bit as a school for such a wonderful cause.

Kind regards

Miss Hodgkins
