Dear Year 4 Parents/Carers,

During our PSHE lesson based around growing up and how the body changes, many of the girls have raised questions regarding periods. This is not currently part of the Year Four Curriculum however I would like to talk to them about it in a safe environment as opposed to them looking into it themselves. As this is not part of the Year 4 curriculum, consent will need to be given if you wish for your child to take part.

I would like to do girls only lesson based on this, to discuss their concerns and questions after half term on **Thursday 9th June 2022**. If you **do** want your child participating in this, please fill in and return the attached slip by **Wednesday 8th June 2022**.

If you have any further questions about this, please speak to a member of the Year 4 team.

Kind regards
