Dear Parents/Carers,

As I am sure you are aware, the Sea Savers have worked hard to produce a video that promotes the importance of doing our bit in the fight to save our oceans. As part of World Ocean Day, Year 4 have entered a competition and have designed a brand new boat which will help to ensure sustainable fishing.

As part of this entry, I would love to send off the video. In order for this to happen, permission is needed for each child that features in this.

Please complete and send back the reply slip below by **Tuesday 21st June 2022** to either give or not give your consent.

If you have any questions, please ask.
