

Summer Reading Challenge 2022

GADGETEERS

Presented by The Reading Agency.
Delivered in partnership with libraries.

Get ready for 2022's Summer Reading Challenge, Gadgeteers, arriving in the library this summer!

The Reading Agency have teamed up with the Science Museum Group for a very special science themed challenge that will inspire children to use their imagination and creativity, with illustrations by Julian Beresford.

Launching on Saturday July 9th, children can join the Summer Reading Challenge for free at their local library and can collect a Gadgeteers collector's poster, bookmark and stickers by borrowing library books over the summer holidays. Read 6 or more books to earn a certificate. Younger children can also join in by sharing library books with a grown up for the Gadgeteers mini-challenge.

Visit your local library from Saturday July 9th to join this year's Summer Reading Challenge and become a Gadgeteer!
