		<ul style="list-style-type: none"> The headteacher considers whether the school needs to register the dog as a performance animal, in accordance with the Performing Animals (Regulation) Act 1925. If yes, the headteacher calls the LA and follows local procedures to register the dog. The Finance Manger ensures that the school's insurance covers using the dog for the specific planned activities, e.g. using the dog in a school performance or having a therapy dog. The headteacher ensures that the dog is cared for in accordance with the Animal Welfare Act 2006. 				
Dog's welfare		<ul style="list-style-type: none"> The dog has access to fresh, clean water at all times. The dog has access to a cool and quiet place where it can be left undisturbed. Pupils leave the dog alone when instructed by their teachers. The dog's welfare is considered as a priority when planning the activities that it will participate in. If an activity risks the dog's welfare, the activity is amended. Noise is kept to a minimum during the activities that the dog is participating in, e.g. if the dog is participating in a school performance, the audience is instructed not to clap until the dog has left the stage. The headteacher ensures that the dog has adequate and frequent toilet breaks and any waste is appropriately disposed of. The dog is not over-stimulated, as this can lead to potentially dangerous behaviour. The dog is not made to participate in potentially distressing activities. The school complies with the Animal Welfare Act 2006. The dog is familiar with the members of staff and pupils who are participating in the activity with the dog. Flash photography is not used when the dog is present. 	<u>Y</u>	<u>Headteacher</u>	<u>27/06/2022</u>	<u>M</u>

		<ul style="list-style-type: none"> The dog is given opportunities to exercise and move around independently in a secure area, e.g. the headteacher's office. The headteacher ensures that the dog is fit to participate in specific activities and is not brought into the school if it is unwell. If the dog becomes unwell while at school, the dog's owner takes it home. Before any activity is carried out, the headteacher ensures everyone participating in the activity understands how to treat and behave around the dog, e.g. not using flash photography, not shouting or clapping and not running around. Activities do not cause harm, discomfort or stress to the dog. 				
Site Security		<ul style="list-style-type: none"> At least two adults are appointed to be responsible for the dog. The site manager ensures that the site is secure and that precautions are in place to limit the chance of the dog getting loose. The dog is kept on a lead when it is not in its housing or in a secure location, e.g. in the headteacher's office. The headteacher ensures that all appropriate doors are closed when the dog is participating in an activity, e.g. in a school hall. The site manager ensures that the premises is secure, e.g. fences are not broken. 	Y	Headteacher	27/06/2022	M
Evacuation procedures		<ul style="list-style-type: none"> Where necessary, the school's Invacuation, Lockdown and Evacuation Policy is reviewed to ensure it includes provisions for the dog. The person handling the dog during specified activities is responsible for the dog's safety during an invacuation, lockdown or evacuation. Where the handler is a pupil, e.g. if the dog is participating in a school performance, another appointed member of staff is responsible for the dog's safety. 	Y	Headteacher	27/06/2022	M

Disobedience and dangerous behaviour		<ul style="list-style-type: none"> The handler is equipped and trained to react to and control any dangerous behaviour. If the person handling the dog for a specific activity is a pupil, e.g. in a school performance, they are given training to handle the dog, and the pupil and dog are given an opportunity to bond. Pupils are not expected to handle the dog unless: <ul style="list-style-type: none"> Their parents/carers have provided permission. They feel safe and confident in doing so. They have received training to handle the dog. The dog's obedience is ensured as far as reasonably possible; however, staff, pupils, visitors and parents/carers understand that animals can be unpredictable. The headteacher ensures that a plan is in place for if the dog is unable to carry out an activity, e.g. if the dog is stressed, and participating in the activity would cause further distress or could lead to dangerous behaviour. If the dog is not behaving appropriately during an activity, e.g. it is barking excessively or running away, the headteacher removes the dog and a contingency plan is implemented. For example, if the dog is participating in a school performance, but is nervous about going onto the stage, the headteacher uses a toy dog instead. 	<u>Y</u>	<u>Headteacher</u>	<u>27/06/2022</u>	<u>M</u>
Parent notification/permission		<ul style="list-style-type: none"> The headteacher informs parents that the dog will be present on the school's premises.
