Message from our School Governing Body

Governors are key to the ongoing success of Norwood school they are responsible for supporting the leadership team, overseeing the management side of the school, strategy, policy, budgeting and staffing ensuring the school is run effectively as possible.

Parent Governors play a vital role, holding the unique position of having a parent's point of view. If you feel you could volunteer your time supporting our school, please let the office know.

We have had a very active year, recently being able to visit the school for a full governor day. The visit provided the opportunity to speak to your children, staff and leadership team about reading, maths, safeguarding alongside their thoughts on our overall school behaviour, as we have adopted our new behaviour framework. This was a really positive visit as were the others throughout the year, they were vital in helping governors review/celebrate the positives and understand how we can make positive changes to challenges/feedback alongside the leadership team.

We would like to wish everyone a restful and safe summer holidays. It has been lovely to see a full academic year this year and to see the progress across the school. Good luck to our year 6 children moving to secondary school, we wish you all the best in the future. We look forward to seeing everyone back at school refreshed and ready for learning in September.

If you would like to remind yourselves who our governors are at Norwood, please visit the school website <https://www.norwood-school.co.uk> /Norwood school>Governors or by direct by clicking on the link [Norwood School Governors](#)
