Dear Reception Parents/Carers

We know how important parental engagement is to help students reach their potential, but we're also aware of how busy you are and how difficult it can be to stay fully updated with your child's schooling.

The **Xpressions App** has been specifically designed to give you easy access to your child's schooling information all in one place.

Within the Xpressions app, you will be able to:

- Instantly send and received free messages to **Norwood Primary School**, in over 100 languages;
- Flag messages received to easily retrieve later;
- Easily filter messages by category.

Using Xpressions will also help us save money on our communication costs, allowing us to better improve other aspects of your child's education.

The app is completely free to download and can be used on your iOS or Android mobile phone, tablet or even desktop. To download the app now, please click on one of the following links:

If you have another child in school and you cannot see them on the app, then please log out and then back into your account by

1. Click the 3 bars on the top left-hand corner of the App and select Settings.
2. At the bottom of Settings, click Remove my Xpressions Account.
3. On the next screen, click Logout.

If you would like to have additional information about Xpressions, please don't hesitate to get in contact with Miss Fletcher in the school office.

Kind regards

Mrs D Reynolds
