Monday 3rd October 2022

Dear Year Reception Parents/Carers

RE: Read Write Inc Phonics Session Monday 10th October/Friday 14th October 2022

We have been really pleased with how quickly the children have settled into school and hope that you are too. Now that we are established in our routines the children have now started their phonics lessons.

For the children to reach their potential and have the best start, it is vital that we all work together to give them the best support in reading and writing, making them lifelong learners.

Therefore, I would like to invite you to an in school or after school session where we can look at how the children will be learning phonics with the Read Write Inc Scheme that we follow at Norwood.

The session will be just for 10-20 minutes. I will show you some examples of the process and activities that the children will be using and give you lots of ideas for continuing these at home.

Please join us on either Monday 10th October-please come to the school office to sign in or Friday 14th October in the classroom straight after school.

Many thanks for your support

Mrs L Blake
