Dear Parents/Carers,

Once again I would like to start off by saying how proud we are of all the acts who auditioned for Norwood's Got Talent. They all took part with smiles on their faces and the confidence they gained in this process was clear for all to see.

Over 35 acts auditioned across the two keys stages and many different talents were on show. Our decisions were made based on the performance and their efforts in preparing for the performance. We also wanted to ensure that a range of acts were carried forward and that both keys stages were represented in our Live Final.

On this occasion, your child will not be asked to perform in the Live Final. We plan to hold this again next year and we do hope that they will come back and audition in 12 months' time to share what they have learnt.

Again we are so proud of everyone and hope that your child feels proud of auditioning and getting this far.

Tickets will be going on sale soon for the show if you wish to come and join the fun!

Many thanks
