Dear Year 3 Parents/Carers,

Our topic this half term is Mountains.

A fantastic opportunity has arisen where we can invite TA education into school to deliver a great educational experience for your children, this will be an experience that children, at this stage in their education could not engage with in reality. We appreciate the workshop is this term but we know how much the children will gain from attending a mountain based workshop. The pupils will look at different mountain formations and experience looking at the view from the top of mountains including; Mount Everest, Snowdon, Ben Nevis, Scarfell Pike and Kilimanjaro. Children will also ski off the side of a mountain to enable them to look at the different layers. They will experience all of this using virtual reality headsets.

Children will continue their learning about the conditions on mountains and will use a variety of vocabulary to describe their journey up the mountains.

TA education are able to visit us in school on **Wednesday 7th December 2022**. To cover the cost of this experience, we are requesting a voluntary contribution of **£20.00** per pupil. We are asking for this to be paid in full on ParentPay to secure our booking by **Friday 2nd December** please. Although such a contribution is voluntary, should contributions received by the school render the event to be considered not viable, it will be cancelled and all contributions will be refunded.

However, in cases of financial hardship and particularly for our families in receipt of free school meals, we may be able to subsidise your contribution. Circumstances such as these will be treated sympathetically; do come and talk to me if this is the case – Mrs Reynolds (Head Teacher).

We experience will take place in the morning so will finish in time for their lunch. Pupils will need to wear school uniform.

Please complete the slip below and return via admin@norwoodschool.co.uk
