Dear Parents/Carers

The online world is posing an ever-increasing risk to children, and it is important that schools, parents and carers work together to take an active role in teaching children about online dangers. Learning how to act safely when using the internet is an incredibly important part of safeguarding our children.

We are therefore delighted to announce that Norwood Primary School have shown our commitment to protecting our pupils online by working with National Online Safety – providing resources for all parents/carers. We have regularly published parent/carer guides – Wake Up Wednesday - and whilst these continue, the use of the National Online Safety app will enable parents/carers to have direct and immediate access to resources as outlined below.

The resources include Parents & Carers courses (presented by Myleene Klass), online video resources and weekly guides covering a huge range of topics, including:

- Online Relationships
