Wednesday 22nd February 2023

Dear Parents/Carers

As part of our aim to inspire children and to get them to consider what they want to do when they finish education, we will be holding an aspiration month during the Summer term. This will involve visitors from a range of careers and vocations coming into school to speak to Year 4, 5 and 6 children.

It would be great if you or anyone you know in the local community would like to support with this by coming into school and speaking to the children. We have spoken to Year 4, 5 and 6 to find out which careers and vocations they are interested in, and these areas are listed below. Please contact the school office if you or someone you know would like to visit the children and speak about one of the following areas:

<ul style="list-style-type: none">• Working with animals – rescue centre/ zoo keeper/ vet/ RSPCA/ marine biologist• Footballer/ athlete/ football manager• Nurse/ paramedic/ doctor• Singer• Archaeologist or Palaeontologist• Author	<ul style="list-style-type: none">• Armed forces recruit• Artist• Astronaut or Astronomer• Marine biologist• Space/air-craft engineer• Teacher• Ballet dancer• Carpenter• Police officer	<ul style="list-style-type: none">• Hairdresser• Engineer• Childminder• Builder• Traveller• Actor• Chef or baker• Pilot• IT programmer
