Thursday 3rd July 2014

Dear Parents/Carers

It is part of the school's policy, approved by Governors, to provide a course of sex and relationship education for children in their final years in primary school. For year 5, the session will take place on **Tuesday 15th July 2014**.

It is intended that our contribution is only part of the development of your child's understanding. We also firmly believe that there can be no substitute for the close relationship between parent/carer and child, in which sensitive and important issues such as this can be discussed.

The following are the objectives and coverage that will be taught in the session:

-
- To enable young people to keep themselves safe
 - To provide information in an objective, balanced and sensitive way which meets the children's varying needs
 - To recognise acceptable behaviours and attitudes
 - To inform pupils on matters of personal hygiene and related health issues

Legislation regarding sex education acknowledges that parent/carers have a right to withdraw their children from all or part of sex education outside National Curriculum orders. Parents/Carers considering such action are welcome to discuss this with Mrs Reynolds.

Please complete and return the attached reply slip by **Thursday 10th July 2014**.

Yours sincerely
