Dear Parents/Carers

As Covid-19 is no longer causing disruptions to travel, holidays and other events, from September 2023, school will once again implement the rigorous procedures around term time leave. This will mean that Norwood Primary School will not authorise leave from school for family holidays, regardless of circumstance.

As a Local Authority school, Norwood adopts the policy and procedures from Peterborough City Council and further information can be found here -

<https://www.peterborough.gov.uk/residents/schools-and-education/attendance>

By law, children have a requirement to attend school, unless they are too ill to attend or you have advance permission for leave due to exceptional circumstances. Any Family holidays, under no circumstances are deemed as exceptional and therefore will not be authorised.

There are 175 non-school days in each academic year for children to participate in events e.g. seeing family members, medical reasons in the UK or overseas etc. Failing to ensure regular attendance is denying your child their legal right to an education.

Yours sincerely

Mrs Reynolds
