Norwood School welcomes you to our Sports Day. We want to take this opportunity to thank you for attending and hope you enjoy the event!

Taking on board the feedback given after last year's event, a range of changes have been made:

- In order to provide pupils with the opportunity to participate in more events, the morning has now been split into two sessions.
- The 'pod' activities have now taken place during National Sports Week and these totals will be added to the totals achieved on Sports Day.
- Where possible, sibling races have been staggered to enable those spectating to watch both children. In the majority of cases, parents / carers will be standing between the two tracks which their children will be on.
- Reception and KS1 will compete in more traditional events whereas KS2 will have a more Olympic style approach.
- All pupils who race will receive stickers for participation. Those achieving 1st, 2nd and 3rd will be given corresponding stickers
- Medals will be awarded to all those involved in the Best of the Best Relay – this year including 4th place.
- Special awards for Sportsmanship, Excellent Effort and the Supportive Stars are also up for grabs!
- The House Cup and Special awards will be awarded in assembly on Friday 14th July 2023.

When you enter the field, please head to the designated area for each year group. This will be labelled and also can be seen on the diagram below. If you are supporting pupils in different year groups, if possible please stand in between. Please can I remind parents / carers that they are not to stand on the track or go over the pupils at any point during the event for Safeguarding reasons.

Hope you enjoy the event!

Heats for this relay were carried out during PE lessons with all pupils taking part. The top four for each house, within each year group, then competed against each other and the top four are taking part in the relay today.

Reserves will be used if a pupil is absent or decides not to run.

After this relay, please allow the pupils to exit the field before leaving the school site via the Coniston Road gate. Please do not call over your child(ren) or try to approach your child as this will cause lunches to start late and will also disrupt the routine that the pupils have gotten used to and practiced.

I would like to thank everyone who has made today happen. Without the efforts of all the staff across school, today would not have been possible. Many have given up their own time or gone above and beyond. Thank you to Mr Johnson for ensuring the field was cut and for organising/marketing out the field.

Thank you to those pupils who took on a leadership role, helping to transfer equipment, organising races and the like. A special mention to our Sports Ambassadors – Lily and Charlie (Y6) and our Deputy Sport Ambassadors – Lauren, Flo and Megan (Y5) who have supported various elements in the build up to today.

Finally, I want to thank everyone who came and supported the event today. It means a lot to many of the pupils and I know this is something that they have all been looking forward to.
