Dear Parents/Carers,

This half term, as part of our ongoing Harry Potter learning theme, we are planning to watch a selection of the first three Harry Potter films.

We will be watching the films in sections across the remainder of the term and using the visual images to support the children's learning throughout various topic lessons as well as using the film to write a film review and character diary entries.

As stated on the DVD case, these films have been rated PG due to mild fantasy peril, mild language and slight creature violence.

If you **do not wish** your child to see this film due to its certification, please contact me as soon as possible and I will arrange alternative in-school provision for your child on the occasions that the film is viewed.

If you have any further questions, please do not hesitate to ask.

Yours sincerely

Mr J Robertson  
Year 6 Teacher
