Question	Answer
What do I need to bring?	<ul style="list-style-type: none">- Your lunch in a lunch box and some extra (healthy) snacks for the journey. We will be able to safely store our lunch boxes in our 'zone' when we arrive so that don't have to carry them around all day.- Free school meals – if you have requested a packed lunch, this will be given to you before we leave.- Enough drinking water for all day.- You could bring a book to read on the coach (but <u>no</u> devices, please)- Please bring a rucksack so you can put your jacket and snacks/drink in it.- Please do not bring spending money. We will not be visiting the shop.
What do I need to wear?	Your school uniform and school shoes, please. A lighter jacket is a good idea as it'll fit in your rucksack.
Which adults from Norwood will be on the trip?	Mrs Veneziano, Mrs Fenwick, Miss Barks and Mrs Rogers
Who will I sit with on the coach?	We'll be in pairs on the coach, so we'll sit with a friend.
When will we go to the toilets?	Before we leave school When we arrive at the Space Centre When needed throughout the day Before we leave the Space Centre
What will we do at the Space Centre?	Lots of amazing things! First, we'll go to an interactive show where rocket scientists will teach us all about rockets! Next, we'll be able to explore some amazing interactive exhibits. Look out for the space toilet and sleeping bags! Then, it'll be lunchtime, so we'll head for our zone and have lunch as a whole class. After that, we're off to the Planetarium - it's like a cinema, so we'll have comfy seats during the show with the lights off, but no popcorn! Finally, we'll be able to explore the interactive exhibits some more before we head back to the coach.
Will we get to visit another planet?	No, there just won't be time! You know how far away they are from Earth, Year 5!
