Tuesday 12th March 2024

Dear Parents/Carers

Please find attached a letter from NFER (National Foundation for Educational Research) on behalf of the STA (Standards and Testing Agency).

Year 6 children at Norwood School have been selected to trial national papers and there is a legal requirement for school to participate in these. Engagement in this process is not a choice made by the school.

Children will not receive any results from the test and they will have no impact on their outcomes from their actual End of Key Stage 2 assessments taken week beginning Monday 13th May 2024.

Norwood school will ensure that the children are compensated for their work to support NFER and STA through provisions and activities they will experience during the rest of the day.

Yours sincerely

Mrs D Reynolds
