Aim High

Never Give Up

Follow Your Dream

Lead By Example

Monday 3rd June 2024

Dear Parents/Carers,

Norwood has been invited to take part in the CENTURY + PiXL Summer Challenge, running from **Monday 10th to Thursday 20th June** and open to all **pupils in Years 2-6**.

CENTURY's innovative technology creates a unique learning path for every student based on their strengths and weaknesses to help them improve their skills and retain knowledge. By participating in the competition, pupils will have full access to CENTURY's hundreds of English, maths and science micro-lessons created by experienced teachers.

Pupils will compete with other schools around the UK for the top spot on the leaderboard to win prizes. Some children will also receive certificates for their efforts.

The competition will run from Monday 10th to Thursday 20th June, however your child can log in and practise using the app from today.

Please see instructions to access the app below.

1. Watch this overview of how to use CENTURY: <https://www.youtube.com/watch?v=8S2d90k3d-0>
2. Follow this link to access the app: app.century.tech
3. Log in using your child's login and password, that they will bring home today. If you have any issues with your child's log in, please let the office or child's class teacher know.
4. Practise using the app regularly before the competition window opens.

Kind regards

Mr Thompson
Assistant Head Teacher

Mrs Reynolds
