Aim High

Never Give Up

Follow Your Dream

Lead By Example

Dear Parent/Carer,

This week we have launched the Summer Reading Challenge with the children. This is a free challenge offered by all community libraries.

All the children need is a library card and to visit their local library to register for the challenge or register online using the following link:

<https://summerreadingchallenge.org.uk/>

If your child is not currently a member of a library, you can register them for free online by clicking the link below or by visiting your local library:

<https://peterborough.spydus.co.uk/cgi-bin/spydus.exe/MSGTRN/WPAC/JOIN>

Visiting the library is a great free trip out over the Summer holidays in which children can browse the books on offer and be rewarded for their reading with stickers and small prizes.

They will need to inform a librarian each time they have read a book to receive their next sticker or log into their online profile. Once they have read 6 books, the challenge is complete. We will receive certificates for those who have completed the challenge at the end of September. We will contact parents/carers of any Year 6 pupils to collect their certificate from the School Office.

The challenge is open from 6th July to 7th September 2024.

There are some great activities on the reading challenge website, videos from authors and illustrators, and a book sorter machine to support with choosing a new book to read:
