

# Are you currently pregnant or have you given birth in the last 18 months?

NHS England is running a research survey to understand women and birthing people's early pregnancy experience and how digital can be used to improve access to maternity services, specifically self-referral.

If you are interested in participating in this study, please use the QR code below which will take you to the survey to complete.

Closing date of survey: 22nd September 2024

Thank you for your participation.
