Aim High

Never Give Up

Follow Your Dream

Lead By Example

Wednesday 1st October 2014

Dear Parents/Carers

At Norwood Primary School we recognise each child as an individual, and aim to give all children every opportunity to realise their full potential. We believe that a close partnership between the school, parents and the child is essential if we are to achieve this aim. We therefore ask all parents and children to sign up to our Home/School Agreement.

Our agreement outlines the following responsibilities for pupils, parents and school.

Agreement for pupils

To help me do well I will:

1. Attend school punctually and regularly and with all of the equipment I need for the day.
2. Listen carefully and always try my best with my learning.
3. Do my home learning and try to catch up with any missed tasks.
4. Talk to my school adults and parents/carers about how I am doing at school.
5. Follow the school rules, behave well and be polite and helpful to other pupils and grown-ups.
6. Consider taking part in school clubs and visits.
7. Ask for help from a school adult or someone at home if I don't understand my learning or I am unhappy.
8. Wear appropriate clothing and footwear to school and take care of it.
9. Take an interest in the environment and the issues which affect it.

Agreement for parents/carers

To help my child I will:

1. Make sure that my child attends on time every school day, contact the school as soon as possible if my child is absent and follow the school attendance policy.
2. Encourage my child to try their very best with their learning at school.
3. Support and encourage my child with their home learning and any other additional opportunities for learning out of school.
4. Attend meetings with teachers and other relevant school staff to discuss my child's progress and achievements.
5. Work with the school to make sure that my child behaves properly and follows the school rules.
6. Encourage my child to join in with the school's clubs and visits.
7. Approach school in a positive manner if there are issues that you feel should be brought to our attention.
8. Provide appropriate clothing for school, in accordance with the school policy.
9. Encourage my child to have an awareness of environmental issues.
10. Support the school's approach to on-line safety and not deliberately upload or add any images, sounds or text that could upset or offend any member of the school community.
11. Work with school by supporting their policies.

Agreement for the School

The school will:

1. Provide a learning environment that is stimulating, safe and caring.
2. Make sure that all lessons are well prepared and appropriate to the needs of your child.
3. Provide home learning opportunities as laid down in the home learning policy.
4. Let parents/carers know regularly how your child is progressing.
5. Promote an awareness of the school's expectations for behaviour and the school rules.
6. Endeavour to offer a wide range of additional activities/clubs to enrich your child's experience of school.
7. Contact parents/carers as soon as possible if we are concerned in any way about your child.
8. Encourage your children to take pride in their appearance.
9. Help pupils to understand environmental issues affecting their lives.
10. Inform you of the learning your child is involved in on a half termly basis.

The Home School Agreement, signed by school, is yours to keep for your own reference and will be sent home with your child today.

Please can you sign and return the slip below to acknowledge the receipt of, and agreement to the contents of this document.

Yours sincerely
