

Building Connections

A Tour of Ken Stimpson Academy

At KSA we have seen rapid improvements across all aspects of our school. Our approach to standards and the quality of education has had significant impact.

I am very keen to open the doors to the school so that members of our community can come and see the school in action.

We have set four separate tours for the Spring Term:

1. *Tuesday 4th March: 8.30 to 9.30 (lesson visits, including Roll Call)*
2. *Thursday 6th March: 9.30 to 10.30 (lesson visits)*
3. *Monday 10th March: 9.30 to 10.30 (lesson visits)*
4. *Friday 21st March: 8.30 to 9.30 (lesson visits, including Roll Call)*

[Click here](#) to book onto one of the dates

The tours at 8.30am will begin with our Golden Hour, which includes experiencing our Roll Call during the first hour of our school day where we aim to get every child ready to learn. The tours that commence at 9.30am will be a tour of the school and visits to lessons.

Each tour will be with me and will include all parts of the school. There is no route we can go and see anything and everything. These tours give a very clear representation of the daily workings of KSA.

The tours are open to all: prospective parents (any year), current parents, interested members of the community, staff from other schools, everyone...

I look forward to welcoming you into our school.

Yours sincerely,

Damien Whales
Headteacher
Ken Stimpson Academy
