Aim High

Never Give Up

Follow Your Dream

Lead By Example

11/03/2015

Dear Parents/Carers

As a school we are committed to ensuring that we work in partnership with families to ensure the very best for our children.

On **Tuesday 17th and Wednesday 18th March 2015** we are holding our consultation evenings and I hope that you have booked your appointments using our new online booking system found at <https://norwood.parentseveningsystem.co.uk>

The feedback that we have received so far on this new initiative has been incredibly positive. Please do feedback to school any thoughts that you have.

On the evening of your appointment, please arrive 10 to 15 minutes early. This will enable you to view your children's books and learning. Our Year 6 children will be available to meet you at the Hall door and show you to your child's table.

During the consultation appointment you will be given a feedback sheet that shares information regarding behaviour, attitudes towards learning, current stage of your child learning and ways that you can support at home.

Please be aware that the judgements made are based on where your child is **currently** working compared to **end of year expectations**. This is also based on the new National Curriculum which provides a higher level of challenge for children in each year group than previously.

Further information on the new curriculum, changes and impact can be found by visiting https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/335133/PRIMARY_national_curriculum_220714.pdf

We also ask that you take time to complete a questionnaire based on your consultation experience. Any feedback will be responded to accordingly and follow up appointments booked where required.

Please be aware that all clubs on Tuesday 17th March will be cancelled due to consultation evening taking place.

Thank you for your continued support.

Yours faithfully

Mrs D Reynolds
Head Teacher
