Aim High

Never Give Up

Follow Your Dream

Lead By Example

Friday 2nd May 2025

Dear Parents/Carers,

I am pleased to share the arrangements and details of our Sports mornings for EYFS, KS1 and KS2, due to be held on the following dates, weather permitting.

Key Stage 2: Monday 16th June 2025

Key Stage 1 and EYFS: Wednesday 18th June 2025

Parents/Carers are welcomed onto our school field via the pedestrian gate **on Coniston Road ONLY** which will be open from **9.30am**.

On each day, children will enter the field from approximately 9.45am, with races commencing at approximately **10:00am**.

In order for pupils to have a rest between races and for those who are watching more than one child, there may be small breaks between sets of races to ensure that all tracks coincide with each other.

Please can I take this opportunity to remind parents/carers that all children need to come to school with a filled named water bottle and a sun hat. Sun cream should also have been applied before coming to school. Pupils should also come to school wearing their PE Kits, with the top being of the same colour as their 'house' (if you are unsure of this, please speak to your child's class teacher). Long hair needs to be tied up and earrings removed or covered.

There is no need for pupils to bring their school uniform to school on their sports morning.

Parents/Carers are welcome to bring their own chairs or blankets as these will not be provided by school.

All spectators will be required to remain in the designated viewing areas for the duration of the event, only moving across to the main track when signaled to do so by Norwood staff. This is to keep everyone safe and to ensure the event runs smoothly.

Parents and Carers are not to approach the pupils throughout the morning, Norwood staff will be on hand should there be a need to offer pupils support.

In the near future, you will receive the race overview to ensure you know when and where your child/children are racing. A reminder that pupils are given the choice of which events they wish to participate in. Therefore, if your child is not down to compete in a race, this is not an error, it is their choice. Furthermore, pupils are allowed to pull out of a race on the day and so even though their name is on the overview, they may not race.

No matter how many races a child is entered into, they will remain outside for the duration of the event and will be there to support their peers.

Pupils will be moved across first from their year group track to the relay track and then those spectating will be asked to then move across. Therefore, please ensure you stand in the correct places for your child's/children's year group (this will be communicated on the race overview that will be sent out at a later date). For example, if you have more than one child and therefore need to view two tracks, please use the designated area in-between the two.

Unless you are notified, there is no need to move between tracks once the event has started, just the need to turn around to see both sets of races. If you are unsure, please speak to a member of Norwood staff who will be by the gazebo and be able to assist you.

Please can we remind all visiting family members to ensure that for GDPR reasons they only take photos of their own children. If photographs happen to have other children in shot, due to the nature of the event, these MUST NOT be posted on social media without consent from the other child/ren's parent/carer.

We thank you for your continued support and hope you enjoy the event!

Many thanks

Mr S Thompson
Assistant Head/PE Lead
