MARCH ARMED FORCES FAIR

TO BE BIGGER AND BETTER THAN EVER...

The March Armed Forces Fair (MAFF) will return to the town's West End Park on Sunday, August 31st, 2025, with the organisers promising something for everyone to come along and enjoy.

Attractions will include military displays and vehicles, farming equipment, classic vehicles, Land Rovers, food stalls and bars, March Brass 2000, Peterborough Highland Pipe Band, traction engines, LCpl Jones' butcher's van from TV's Dad's Army, a running Merlin engine, a Spitfire, tanks and diving display.

And if that's not enough to make you go along, seventy stalls have already booked in, mainly hosted by local people, plus there will be a recruiting area: regular, reserve and cadets.

It is already twice the size of the 2023 MAFF so make sure you arrive when it opens at 11am as you will need all day to walk around.

The event will finish with an Act of Remembrance at 5pm when all serving men and women and

veterans are invited to take part, irrelevant of dress. A main highlight, subject to the weather, will be the appearance of an iconic Lancaster RAF bomber which it is hoped will conduct a flyover at 3.30pm. MAFF is free for people to enjoy but it is hoped that everyone attending donates to one of the charities taking part.

The organisers still want more people, especially from the local community, to book in and show off their 'pride and joys'; classic vehicles, Land Rovers, farming equipment and interesting displays.

MAFF is also reminding everyone that prior to the event on Friday, August 15th, there will be a parade and Act of Remembrance at the March Town War Memorial starting at 10.15am. Everyone is welcome to attend and pay their respects. Search Facebook Events – **March Town 80th VJ-DAY (Victory over Japan Day) Act of Remembrance & raising of the VJ Flag**.
