Sports Premium Spending and Impact

Key Indicator	Intent	Amount Spent	Implementation and Impact
1. Engagement of all pupils in regular physical activity	Provide a variety of internal extra-curricular clubs to increase physical activity levels for all pupils, including disadvantaged, SEND, and girls	£12,904.13	<p>Implementation Resurfacing of the MUGA, running of daily lunchtime sports activities and the purchase of lunchtime equipment to increase activity levels for all during break, lunch and PE lessons. PE coordinator spent time weekly ensuring engagement of all pupils in regular physical activity. Year 6 received an inflatable exercise activity reward as an end of year treat.</p> <p>Impact Increased participation across all pupil groups; improved physical activity levels; removal of barriers for disadvantaged pupils through free access; inclusive provision for SEND and medical needs.</p>

1. Engagement of all pupils in regular physical activity	Purchase specialist equipment and resources to support participation, including for SEND pupils	£1,931.20	<p><u>Implementation</u> Equipment and resources were audited and ordered throughout the year.</p> <p><u>Impact</u> Improved access to physical activities for all pupils; ensured equipment was adapted for needs of all children.</p>
2. The profile of PE and sport is raised across the school as a tool for whole school improvement	Organise internal sports competitions to celebrate physical achievement and encourage participation	£850.46	<p><u>Implementation</u> Funding for sports day resources, staffing and field marking. Organisation and running of Year 1 multiskills festival.</p> <p><u>Impact</u> Raised the profile of PE through an in-school competition that increased confidence and motivation.</p>
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport	Provide opportunities for staff to observe and engage with high-quality PE practice through competitions and events	Included within spending of indicators 1, 2, 4 and 5.	<p><u>Implementation</u> Staff ran sports clubs, were supported by the PE coordinator with professional development in subjects where confidence was lower and attended internal and external sports events.</p> <p><u>Impact</u> This all had a positive impact on staff confidence, competence, and knowledge in delivering PE and sport.</p>

4. Broader experience of a range of sports and activities offered to all pupils	Provide opportunities for pupils to participate in a wider range of sports through inter-school competitions	£5,115.80	<p><u>Implementation</u> Subscription and transport to multiple SOKE events and competitions each half term at AMVC.</p>
5. Increased participation in competitive sport	Facilitate participation in local inter-school competitions to develop competitive skills		
Swimming outcomes (Year 6)	% of pupils able to swim competently over 25m	66%
