### Scarlet Fever

There have been a number of absences lately with confirmed cases of Scarlet Fever within the school community.

We informed parents/carers that the recommended period would be 5 days from the start of treatment as per the Department of Health guidelines. We have since been informed of new guidelines from the Local Authority and the recommended period is children can return after 24 hours after starting appropriate antibiotic treatment.

### Red Nose Day

Pupils and staff were invited to come to school dressed down wearing an item of red clothing and 'make your face funny' on Friday 13<sup>th</sup> March 2015. Thank you to everyone who donated to this worthy cause. It was much appreciated and we raised an incredible £210.90!!

If after meeting with your child's class teacher you feel that a follow up meeting would be beneficial, please highlight this request on the questionnaire and you will be contacted to organise a convenient time to meet.
