Dear Parents/Carers,

On Friday afternoons, we have Rocksteady in school running group music lessons. They offer 30-minute sessions, during which the children learn to play an instrument as part of a "band". We currently have spaces for children in all year groups to learn the drums, bass guitar, keyboard or vocals.

Rocksteady would like to offer a free trial session to children who are not currently enrolled in lessons. There is no obligation to sign up afterwards. If you would like your child to take advantage of this opportunity, please complete and return the form below. They will then be invited to go along to a session on a Friday afternoon within school time. Please note that free trials will be offered on a first come, first served basis and are subject to there still being spaces available in a band suitable for their age.

For more information about Rocksteady, please visit their website www.rocksteadymusicschool.com

The normal cost of the sessions is around £45 a month, however we are able to offer a 50% discount if your child is eligible for pupil premium and signs up through school. Please contact the school office for more information about this.

Thank you,

Mrs Balaam
