Dear Parents/Carers,

On behalf of the staff at Norwood School, I am happy to welcome you to the 2014-15 school year! The children have started school full of enthusiasm for their learning and look incredibly smart in their new school uniforms – thank you.

We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognise that in order to be successful in school, our children need support from both the home and school. We know a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities.

A curriculum letter will soon be issued which will outline the information specific to the Reception class. Curriculum letters are sent out half termly, to detail what learning your child will be exploring and what topics will be covered. If you have any queries regarding this, please contact the class teacher who is available at the beginning and end of the school day, or after school via telephone (01733 574717).

Norwood School has launched the school year by looking at our whole school focus for this half term '**Developing Outstanding Learning Behaviour**'. We have collected ideas from staff, but most importantly we will be spending time talking to our Reception children about how they best learn. These ideas will be collated and will create a shared vision, the outcome of which will be shared with you in the near future.

As stated in the New to Norwood sessions in July, Norwood School is sending all correspondence to parents through email/text form and not through 'end of the day' letters. All correspondence can be found at www.norwood-school.co.uk

Should you need access to a computer to check your emails or access the internet, please feel free to use our touch screen computer located in the school foyer.

The wonderful and dedicated Norwood staff and I feel privileged to be a part of this school community. We thank you for your support and look forward to our continued partnership.

Yours sincerely

Mrs D Reynolds
