Aim High

Never Give Up

Follow Your Dream

Lead By Example

Thursday 9th July 2026

Dear Parent/Carer,

In preparation for Year 6, we will be providing the children with a range of home learning opportunities to keep their brains active over the Summer holidays. These will be sent out today (Thursday 9th July 2026).

There is no expectation for the children to complete these tasks and no sanction for not engaging with them. However, the children will benefit from working on this pack over the course of their time away from school as the content helps to consolidate learning from this year, as well as prepare children for learning in Year 6.

The holiday packs, called '6 challenges for 6 days' cover Reading, Maths and Grammar, and also Spelling and Punctuation. We will also send home the answers in an envelope addressed to the child's parent/carer and these can be used to support your child; by marking the activity after your child has completed the learning – giving feedback where needed, enable the child to work backwards from the answer to develop a greater understanding of a secure approach/answer.

If you have any questions, please contact the school office via admin@norwoodschool.co.uk

Yours sincerely

Mr S Thompson
Assistant Headteacher
