Wednesday 15th July 2026

Dear Parents/Carers,

Arrangements for the Final Day of the Summer Term

Our Year 6 Leaver's Assembly will take place on **Friday 17th July 2026**. The assembly, which will last approximately 45 minutes, will commence at 9.10am, so parents/carers will need to arrive and be seated before this time – doors open 9.00am.

The performance will be based on the memories of the previous 7 years. It will include funny moments, photos and memories. It promises to be a wonderful look back on our time at Norwood. Thank you for all the photos you have sent in – I have endeavoured to include them all. As always, the children have made their own decision about how much or how little they would like to say and do for the assembly, but the whole of Year 6 have contributed and you will hear from them all in whichever way they have chosen to share.

Once the assembly has finished, everyone will go onto the playground where those who wish to, can take photos of their friends. Once everyone has grabbed all the memories they would like, the children will then have the opportunity to play games for the rest of the morning.

We will also be providing the children with our Leavers' BBQ in the staff garden for lunch on this day. A range of food will be provided and all dietary needs will be catered for, however, if you wish to, please send in a packed lunch to supplement the food being provided by school.

In the afternoon, the children will first spend some time with their buddies before having the opportunity to go around school in small groups to have their shirt signed by other people important to them in the Norwood School Community. The children **must** bring a spare, plain white t-shirt for this purpose as they **will not** be permitted to have the top they are wearing signed. At this point they will also have their Leavers' Autograph Book given to them and those who have ordered them, will receive their Leavers' hoodies. If they wish to, the children can bring in pens from home to use at this point, but they will be responsible for looking after them and they **must not be permanent markers**.

If you have any further queries about these events, please contact Mr Reynolds.

Yours sincerely,

Mr Reynolds
