Lead By Example

Monday 28th September 2026

Dear Parents/Carers,

We are pleased to be able to continue to offer your child a discounted rate for their Rocksteady music lessons this academic year.

The cost of lessons for September 2026 will be charged at £18.62 per month, in line with last year's price. We will communicate once this invoice has been put on Arbor for you to make payment.

However, from October 2026 there will be a small price increase to £19.36 per month. This is due to Rocksteady raising their prices.

If you have any questions, please contact the school office.

Kind regards,

Mrs D Reynolds
Head Teacher

Mrs H Balaam
Music Lead
