

# Pupil Premium Strategy Statement

This statement details our school's use of pupil premium (and recovery premium for the 2022 to 2023 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

## Part A: Pupil Premium Strategy Plan

### Statement of intent

At Norwood, we aim for disadvantaged pupils to be able to make good progress from their starting points, with the ultimate aim of being able to read, write and understand maths at the expected level.

Pupils will be provided with a range of experiences that enable them to access learning alongside the knowledge and understanding of their peers.

We aim for all disadvantaged pupils to show resilience, stamina and perseverance for learning new things and a drive to achieve their best.

Quality First Teaching is the key principle of our strategy plan - with the intention of arming our teaching staff with the skills and resources to ensure all children make good progress in every lesson.

We aim for all disadvantaged children to have positive emotional well-being to enable them to be able to focus on learning and gain the most from teaching.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

| Challenge number | Detail of challenge                                                                                          |
|------------------|--------------------------------------------------------------------------------------------------------------|
| 1                | Lack of interest in reading                                                                                  |
| 2                | Poor spelling                                                                                                |
| 3                | Lack of stamina for writing                                                                                  |
| 4                | Limited world knowledge and experience                                                                       |
| 5                | Low attendance or repeated 'lates'                                                                           |
| 6                | Poor mental well-being due to trauma, pre-existing mental health needs and/or effects of parental separation |
| 7                | Speech, language and communication skills                                                                    |
| 8                | Special Educational Needs                                                                                    |

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

| Intended outcome                                                                                                                                                                                                                                                                                                            | Success criteria                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>Pupil Premium pupils will demonstrate reading for pleasure behaviours by being able to identify books and authors that they enjoy, and choosing to read as an enjoyable activity.</p> <p>Pupils will be able to read fluently (at least 90 wpm), having the skills to decode unfamiliar words, by the end of Year 3.</p> | <p>Through pupil discussion, pupils can identify authors and poets that they enjoy.</p> <p>Observations and teacher feedback demonstrates that pupils show an enjoyment of the class book and their positive comments demonstrate that they look forward to story time.</p> <p>Through pupil discussion, pupils can talk about books they have read with enthusiasm and are keen to read more.</p>                                                                 |
| <p>Pupils will be able to spell age appropriate words within their everyday written work and achieve at least 80% in summative spelling assessments.</p>                                                                                                                                                                    | <p>Written work in books demonstrates that pupils in KS2 can spell all of the Common Exception Words from Year 1 and 2, and any words appropriate to their prior age groups.</p> <p>Pupils who are in receipt of Pupil Premium but do not have a SEN condition affecting their spelling, will achieve at least 80% in summative spelling assessments.</p>                                                                                                          |
| <p>Teachers use the Talk for Writing approach to engage all learners in the writing process.</p> <p>Pupils write at an appropriate length for their age and, where there are no SEN needs affecting English learning, pupils are working at the expected standard.</p>                                                      | <p>Planning, observations and written work in books demonstrates that teachers have a good knowledge of the Talk for Writing approach and that this enables pupils to use the grammar, punctuation and text features successfully in their final written piece.</p> <p>By the Summer Term of each academic year, the collection of written pieces for children who are pupil premium with no SEN need affecting English, are working at the expected standard.</p> |
| <p>Pupils' attendance will be at least 96%. Pupils are not late more than 4 times within a half term.</p>                                                                                                                                                                                                                   | <p>Attendance is at least 96% for pupils who receive Pupil Premium.</p> <p>Pupils do not trigger more than 4 'lates' within a half term.</p>                                                                                                                                                                                                                                                                                                                       |
| <p>Parents feel confident in managing their child's behaviour and SEN needs.</p> <p>Pupils with SEN needs are able to access the curriculum at their level of understanding and make good progress from their starting points.</p>                                                                                          | <p>Parents engage with the Early Help process when offered.</p> <p>Parents engage with parenting programmes when offered through the Early Help system.</p>                                                                                                                                                                                                                                                                                                        |

|                                                                                                                                                                                                                              |                                                                                                                                                                                                                               |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                                                                                                                                                                                                                              | <p>Families access support in managing their child's needs and feel that their needs are met within 18 months of opening an EHA.</p> <p>Pupils meet the targets outlined in their EHCP and learning plans at each review.</p> |
| <p>Pupils with speech pronunciation difficulties improve their spoken language and no longer require speech therapy after Year 4.</p> <p>Pupils' level of oral language is on par with non-disadvantaged peers (+/- 10%)</p> | <p>Pupils receiving speech therapy are discharged by Year 4.</p> <p>Pupils who start with low levels of oral language exit the NELI programme on par with their peers by the end of Year 1</p>                                |

## Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

### Teaching (for example, CPD, recruitment and retention)

Budgeted costing - £57,463

| Activity                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | Evidence that supports this approach                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | Challenge number(s) addressed |

| <p><i>Resourcing and time to deliver the NELI, Language Link and individualised SaLT programmes</i></p> <p>Initial whole school screening of all pupils<br/>staffing costs £7000</p> <p>Implementation of programme staffing costs £20, 000 (30 mins x 3 per week 40 pupils)</p> | <p>The independent evaluation of this project in 193 schools found positive impacts on children's language, equivalent to about +3 months of additional progress for children receiving the 20-week intervention in reception. This was the third trial of the Nuffield Early Language Intervention showing positive effects.<br/><a href="https://educationendowmentfoundation.org.uk/projects-and-evaluation/projects/nuffield-early-language-intervention1">https://educationendowmentfoundation.org.uk/projects-and-evaluation/projects/nuffield-early-language-intervention1</a></p> <p><b>The Education Endowment Fund, 8 recommendations for Improving Literacy in KS1.</b></p> <p><b>Recommendation 1: Develop pupils' speaking and listening skills and wider understanding of language</b></p> <p><i>Language provides the foundation of thinking and learning and should be prioritised. High quality adult-child interactions are important and sometimes described as talking with children rather than just talking to children.</i></p> <p><i>Use a wide range of explicit and implicit approaches including planning the teaching of vocabulary, modelling and extending children's language and thinking during interactions and activities such as shared reading.</i></p> <p><i>Collaborative activities that provide opportunities to learn/hear language often also provide opportunities for wider learning through talk. Skills such as social awareness, relationship skills and problem solving are developed, as well as knowledge.</i></p> <p><a href="https://educationendowmentfoundation.org.uk/education-evidence/guidance-reports/literacy-ks-1">https://educationendowmentfoundation.org.uk/education-evidence/guidance-reports/literacy-ks-1</a></p> | 1, 2, 3, 4, 5, 6, 7, 8        |

### **Total budgeted cost: £ 108,253**

The impact of the listed activities will be monitored using NFER/ SATs assessments, attendance data, Language Link baseline/ exit assessments, Read Write Inc phonics assessments, and b squared assessment.

## Part B: Review of outcomes in the previous academic year

### Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2025 to 2026 academic year.

| Intended outcome                                                                                                                                                                  | Success criteria                                                                                                                                                                                                                                                                                                                                                                                   | Progress towards Intended Outcome                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Pupil Premium pupils will demonstrate reading for pleasure behaviours by being able to identify books and authors that they enjoy, and choosing to read as an enjoyable activity. | <p>Through pupil discussion, pupils can identify authors and poets that they enjoy.</p> <p>Observations and teacher feedback demonstrates that pupils show an enjoyment of the class book and their positive comments demonstrate that they look forward to story time.</p> <p>Through pupil discussion, pupils can talk about books they have read with enthusiasm and are keen to read more.</p> | <p>A virtual visit to school by Joshua Seigal, poet, has raised the profile of poetry and children are enthusiastic about borrowing his books from the library. Many children now comment that they like poetry but previously didn't like it.</p> <p>Book giveaways continue to be popular, especially amongst Pupil Premium children. Comment such as 'we can keep them forever' and 'this is the best day ever' are common at book giveaways.</p> <p>Author Club was very popular with 19% of the Pupil Premium cohort attending. 13% of the Pupil Premium cohort have their writing published in a real book, copies can be found in the school library.</p> |
| Pupils will be able to spell age appropriate words within their everyday written work and achieve at least 80% in summative spelling assessments.                                 | <p>Written work in books demonstrates that pupils in KS2 can spell all of the Common Exception Words from Year 1 and 2, and any words appropriate to their prior age groups.</p> <p>Pupils who are in receipt of Pupil Premium but do not have a SEN condition affecting their spelling, will achieve at least 80% in summative spelling assessments.</p>                                          | Spelling continues to be a focus for Pupil Premium cohorts with many pupils working below their year group for spelling.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

|                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

| <p>Teachers use the Talk for Writing approach to engage all learners in the writing process.</p> <p>Pupils write at an appropriate length for their age and, where there are no SEN needs affecting English learning, pupils are working at the expected standard.</p> | <p>Planning, observations and written work in books demonstrates that teachers have a good knowledge of the Talk for Writing approach and that this enables pupils to use the grammar, punctuation and text features successfully in their final written piece.</p> <p>By the Summer Term of each academic year, the collection of written pieces for children who are pupil premium with no SEN need affecting English, are working at the expected standard.</p> | <p>Working walls alongside work in books demonstrate a Talk for Writing learning journey across school.</p> <p>Regular CPD has supported staff to build knowledge of each stage of Talk for Writing. All staff have been trained by a Talk for Writing consultant in narrative and received regular CPD through staff meetings to deepen knowledge and review application across school of each stage.</p>                                                                                                                          |
| <p>Pupils' attendance will be at least 96%. Pupils are not late more than 4 times within a half term.</p>                                                                                                                                                              | <p>Attendance is at least 96% for pupils who receive Pupil Premium.</p> <p>Pupils do not trigger more than 4 'lates' within a half term.</p>                                                                                                                                                                                                                                                                                                                       | <p>Pupil Premium average attendance 92.2%</p> <p>Non Pupil Premium attendance 96.3%</p> <p>5 pupils are repeatedly late (3 families)</p> <p>25 pupils are absent from school before or after a school holiday</p>                                                                                                                                                                                                                                                                                                                   |
| <p>Parents feel confident in managing their child's behaviour and SEN needs.</p> <p>Pupils with SEN needs are able to access the curriculum at their level of understanding and make good progress from their starting points.</p>                                     | <p>Parents engage with the Early Help process when offered.</p> <p>Parents engage with parenting programmes when offered through the Early Help system.</p> <p>Families access support in managing their child's needs and feel that their needs are met within 18 months of opening an EHA.</p> <p>Pupils meet the targets outlined in their EHCP and learning plans at each review.</p>                                                                          | <p>Early Help has reduced with the removal of the requirement to complete a parenting programme prior to accessing a Neuro assessment.</p> <p>Pupils with EHCPs are made good progress against their targets.</p> <p>The school website has a wealth of self-help on the Family Support page and the SEN Newsletter also highlights support available to families.</p> <p>Parent/carers feedback following Summer Term meetings was highly positive with the vast majority agreeing that their child's needs are met in school.</p> |

|                                                                                                                                                                                                                              |                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>Pupils with speech pronunciation difficulties improve their spoken language and no longer require speech therapy after Year 4.</p> <p>Pupils' level of oral language is on par with non-disadvantaged peers (+/- 10%)</p> | <p>Pupils receiving speech therapy are discharged by Year 4.</p> <p>Pupils who start with low levels of oral language exit the NELI programme on par with their peers by the end of Year 1</p> | <p>Two children accessing speech in language in Year 4 have an EHCP and are likely to require this on an ongoing basis.</p> <p>Two further Pupil Premium children in KS1 have speech and language needs that are supported directly by a therapist.</p> <p>With the introduction of Language Link, it is expected that there is likely to be an increase in speech and language need identification for those needs that are less obvious. Therefore this area of need is likely to increase in awareness due to early identification.</p> |
