Monday 11th May 2015

Dear Parents/Carers

We have been learning all about the different methods of flight transport as well as creatures that fly, during this term's topic *Flight*.

We would like to invite you to come and share our learning next week. We will show you a song that we have composed, as well as our hot air balloon learning.

The children are excited, as they are going to challenge you during the session to make a straw air rocket and we will have a competition at the end of the day! Our celebration will be at **2.15pm** on **Tuesday 19th May** and finish at **3.15pm**.

Please sign in at the office on this day – we will be working in the year 1 classroom.

Yours sincerely

Mrs Burnham
Year 1 Teacher
