Aim High Never Give Up Follow Your Dream Lead By Example

Thursday 8th October 2026

Dear Parent/Carer,

As you are aware, Year 6 is the final year of your child's primary education and during this important year we are preparing the children for SATs that will be taken in May 2027 in the following 3 areas: Maths, Reading and GPS (Grammar, Punctuation and Spelling).

In previous years, the school has provided books for parents/carers to purchase, at a discounted price. 'Achieve' *Practice Questions*, *Revision Guide* and *Practice* Papers are available in the subjects of **Reading, GPS** and **Maths**. In the past, these books have been very successful for pupils in Year 6.

This year the books have been fully updated and are in line with the current curriculum, assessments procedures, and higher expectation for this Year 6 cohort of children. We would recommend to parents/carers that there are many revision aids on the internet and any work completed will be beneficial as a "top up".

We believe these books will serve as both an excellent revision aid for your child and you, as parents/carers will also have a clearer understanding of the requirements for children to achieve the appropriate level.

To purchase an individual book, the cost will be £5.99 per book.

School can also bulk order in batches of 10 books at a cost of £29.00 per bundle.

If you are interested in purchasing any of these books, please find the link below for you to complete a google form to place an order for your child's revision book(s).

https://forms.gle/5mAB55kBGEiTyTRs9

The order form will close at noon on Friday 16th October 2026. We will then look at the whole order and buy to ensure the best possible price which will then be passed on to parents/carers. Payments will need to be paid on Arbor once the amount has been confirmed.

If you are unsure if you require the 'Expected Standard' or the 'Higher Standard', please contact the school office who will support you with this.

Please see examples of the books by clicking on this link https://www.hachettelearning.com/achieve-sats-success

Thank you for your continued support and we are confident that with parents/carers and the school both working together in partnership all children will achieve their full potential.

Yours sincerely

Mr Reynolds
Year 6 Teacher
