Dear Parents/Carers of Pupils who Access Cherry Garden,

For the first time, we would like to trial a Parent/Carer engagement session for pupils that access Cherry Garden to give you the opportunity to view the environment and find out more about how the children learn in Cherry Garden.

We are conscious that some of the children might find the number of unfamiliar faces overwhelming. With this in mind, please can we limit the number of visitors to one adult per child.

The **Cherry Garden Parent/Carer event** will be on **Tuesday 20th October at 2:30pm**.

As learning is through play using children's interests in Cherry Garden, please come and join your child engaging in whatever they are choosing at the time. Feel free to look around the room at the environment and look through your child's learning journal. Adults will be available to answer your questions.

Please enter via the school office. For the safety of everyone, **all visitors must sign in on arrival**, as required by our fire-safety procedures. Please could we ask that each family bring an electronic device with a QR code reader app to enable to sign each person in on arrival. This will take you to a google form for you to complete your name.

We also kindly ask that:

- **Mobile phones are switched off and kept out of sight** throughout the event. This helps us protect the privacy and safety of all children.
- Parents and carers **must not move around the school site unsupervised**.
- If you need to leave Cherry Garden or require any assistance, please speak to a member of staff, who will be happy to help.

We would like to inform you that during parent/carers engagement events, photographs may be taken of students with their parents/carers or just photographs of parents/carers and these may be displayed within the school premises.

Kind regards
