SEND NEWSLETTER

Autumn - 2026

SENCo — Mrs J Cockerill

Welcome to the Autumn Newsletter.

Thank you to all of the parents/carers who booked a SEN meeting to discuss your child's progress.

Remember that you can view your child's targets and pupil passport at any time using your login to Edukey (also known as TES Provision Map). If you haven't logged in to this programme, please ask Mrs Cockerill to provide a login to your child's account.

I am excited to launch Disco Club next half term for children who have been identified as having a special educational need. The club has higher staff ratios to enable all children to be safely supervised.

I would love to know about the children's interests to see if there is a different club we could offer to pupils with SEND. Please message me at senadmin@norwoodschool.co.uk with any suggestions.

As always, if you have any concerns regarding your child, please contact me so that we can resolve this as quickly as possible.

Jane Cockerill

A Family Hub is a designated welcoming, safe and secure space, open for every family to receive the support they need, when they need it. Click the link for more information. [Peterborough family-hubs Information Hub](https://www.peterborough.gov.uk/localoffer) (which used to be called the Local Offer) is a rich source of information for parents/carers and children and young people with SEND. It has information on a wide range of useful topics. www.peterborough.gov.uk/localoffer

Teen Life Programme

Join the National Autistic Society's Teen Life programme for parents and carers of young autistic people **aged 10 to 16**.

The six-session programme covers:

- understanding autism
- understanding autistic identity
- stress and anxiety/understanding behaviour
- health and wellbeing
- puberty
- education/planning for the future.

The Teen Life programme aims to empower parents and supporting professionals to understand more about autism and discuss useful strategies on how to support autistic teenagers.

Teen Life is a fully funded programme for parents/carers of autistic young people, aged 10-16 years with the aim to empower them to understand more about autistic identity. It is delivered over a 6-week period in the centre of Peterborough.

Our next available course will start immediately after October half-term with spaces for up to 10 families. Further courses will run throughout the year.

For more information contact:

Trainers: Steph and Yvette

The **EHCP Tracker** is designed to help parents and carers navigate every stage of the EHCP journey with confidence. Developed in consultation with SEN parents who have first-hand experience of navigating the EHCP process, it provides practical, parent-informed support at every step.

- ✓ Track your progress with a simple EHCP timeline
- ✓ Monitor deadlines with personalised reminders and key dates.
- ✓ Access expert guidance tailored to every stage of the process.
- ✓ Get support from our Parent Support Team whenever you need it.
