20th September 2012

Dear Parents/Carers

As previously corresponded, I am able to share the wonderful news that Norwood Primary School meets the requirements of a school patrol crossing person in the mornings and afternoons and that the Local Authority have now appointed Mrs Anne Pell as our crossing patrol person before and after school.

The Local Authority has advised the school that the front pedestrian access, by the disabled entrance, will need to be permanently locked as a result of a traffic survey to gauge pedestrian crossing on Gunthorpe Road to access school. If this recommendation is not adhered to we will risk losing the patrol crossing person permanently.

Please can I remind parents/carers that at the start and end of the school day Coniston Road and Elter Walk have pedestrian access to school.

Norwood Primary School is very committed to the safety and wellbeing of all our pupils, therefore may we suggest that Coniston Road is a more suitable road to park on, as parked cars on this stretch of road do not impact as negatively on visibility for pedestrians. Parking on Coniston Road would also help ease the congestion around school at key times. Please refrain from parking in front of resident's driveways. May we remind you that we do have permission for our parent/carers to park in the Harrier Pub car park.

Yours sincerely

Mrs D Reynolds
Head Teacher
