Dear Parents/Carers

Due to two of our swimming sessions being cancelled last term, we have now booked them in for the last week of term. They will occur back to back on Thursday 16th July, with the first session being a lesson in the current format and the second session being a 'fun time' in the pool to acknowledge their amazing attitudes and behaviours throughout the sessions.

Due to the fact that we will return after school lunch time is finished, we are proposing to provide a McDonald's Happy Meal on the way back as a final treat. Therefore they will not require a packed lunch or school dinner on that day. If you would prefer to have a refund for the final coach journey then you will need to make your own provision for your child's lunch.

Please could you let us know your preference or choose from the options below which meal you would like your child to have on the day, and return it by 6pm on Friday 10th July 2015.

If you have any queries, please contact the year 4 team.

Kind regards
