Dear Parent/Carer,

As you are fully aware, Year 6 is the final year of your child's primary education and during this important year we are preparing the children for SATs that will be taken in May 2015 in the following 3 areas: Maths, Reading and SPaG (Spelling, Grammar and Punctuation).

In previous years, the school has provided booklets for parents to purchase, at a discounted price, the 'Rising Stars' *Practice Questions* booklets and *Revision Guide* booklets for **English** and **Maths**. This has been very successful for pupils in Year 6 and I have identified which level booklet would be most appropriate for your child. The Year 6 team will be working on similar books and guides for SPaG in lessons and booster sessions tailored to children's levels, I recommend to parents/carers that there are lots of revision aids on the Internet and any work completed will be of beneficial as a "top up".

I believe these booklets will serve as both an excellent revision aid for your child and you as parents/carers will also have a clearer understanding of the requirements for children to achieve the appropriate level.

**The cost of each booklet is £4.00 and RRP is £6.00. If you are interested in purchasing any of these booklets at the discounted price please complete the attached slip and return, with payment, as soon as possible.**

I recommend that \_\_\_\_\_ works on the practice/revision guide for **Maths** level \_\_\_\_\_

I recommend that \_\_\_\_\_ works on the practice/revision guide for **English** level \_\_\_\_\_

Thank you for your continued support and I am confident that with parents/carers and the school both working together in partnership all children will achieve their full potential.

Yours sincerely
