Dear Parent/Carer

As part of the NSA's fundraising for this year, we would like to create a DVD of the children's Christmas performances.

This would involve filming the dress rehearsal so that we could provide a good quality viewing of the performance for parents/carers to purchase.

We would require all parents/carers to give their consent in order for this to go ahead.

As the vast majority of parents/carers have already given their consent for 'photographs of [their] child to be used on the school website', we ask that parents/carers inform school if they **do not** wish for their child to be filmed. Therefore, if we have no response from you by **Monday 3rd December**, we will presume that you do give consent for your child to take part.

We hope you agree that this will provide a wonderful memory of your child's performance that you will be able to treasure forever.

Yours sincerely (on behalf of the NSA),

Mrs J. Cockerill

Mrs D. Reynolds
